

# WILDLIFE WEEK

Wildlife Week is celebrated in India every year between 2<sup>nd</sup> October and 8<sup>th</sup> October.

## Objectives of Celebrating Wild Life Week

- ✓ To focus attention towards wild life.
- ✓ To make society realize importance of conservation and protection of the wild life.
- ✓ To discuss issues related to the preservation of the wild life.
- ✓ To implement more services to preserve the wildlife & nature.

Don't let them be a history:  
Help make this world a fairer place for all animals
